PERMIT – HOT WORK

This permit must be completed prior to any operations involving welding and cutting equipment taking place.

Applicable to all operations involving welding and cutting equipment, other than work done in maintenance workshops (attach permit to equipment whilst in use).

Date: / / PERMIT NUMBER: _____

Permission is given to: _____ *(name)*

of _____ *(company)*

to use _____ *(type of equipment)*

at _____ *(building)* _____ *(floor)* _____ *(room #)*

between am/pm and am/pm.

FIRE PREVENTION RULES

1 Ensure operators are aware of the exits and that the exits are not obstructed.
2 Ensure sprinklers and/or fire alarms are operating correctly.

WITHIN 10 METRES OF THE WORK

1 Ensure there are no combustible liquids, vapours, gases or dusts.
2 All combustible material has either been removed or suitably protected against heat and sparks.
3 Ensure combustibles have been moved away from other side of wall (if applicable).
4 Ensure covers have been suspended beneath the work to catch sparks or hot fragments.
5 Ensure that extinguishers and/or hose reels are immediately available.
6 Ensure operators are aware of the exits and that the exits are not obstructed.
7 Ensure sprinklers and/or fire alarms are operating correctly.

WORK ON ENCLOSED EQUIPMENT *(tanks, containers, ducts, dust collectors, etc)*

1 The equipment must be cleaned of all combustibles.
2 Containers must be purged of all flammable vapours.

I have reviewed the work authorised by this permit and the information pertaining to each item. Safety procedures have been received and are understood by all personnel.

Signature of person issuing permit: _____

(only sign this permit if you have inspected the work area and it complies with the above)

The work area and all adjacent areas to which sparks and heat might have spread were thoroughly inspected on completion of the operation and again 30 minutes later. No smouldering fires were discovered.

PERMIT NUMBER: _____

Signature of person responsible for the work: _____

(after signing, return this section to the person issuing the permit)
